As predicted, the Trump administration is working hard to instigate a pandemic to make it easier to ramp up an army to control China. It's an exercise in empire and I predict this phase will be over in about two weeks. 3:54 PM EST - Trump thinks the virus will be done in 2 weeks. Of course, unless the alternative is no virus at all, he's dead wrong. A one-week slow is killing him and he's not moving fast enough to keep his legs. 3:52 PM EST - This post is a follow-up to my previous entry. There's a lot of chatter among the brains here about how we should begin the fightback. Give it a read to see what everyone is saying. I've added my thoughts on the matter. Please join in the discussion. 1:40 PM EST - Two (of them) dead and the rest of us are being treated like mind-slaves. It's time for the animals to rise and fight! — 1:31 PM EST - Peaceful demonstrators have taken over Trump's Washington hotel overnight. How will this affect the Trump administration's coronavirus push? 1:24 PM EST - While it's still too early to tell, I expect the first big death toll due to the coronavirus will hit China rather than the USA. Will Trump blame China for this? I really don't think d0c515b9f4
